

OVERVIEW

PVH Corp. is a corporation rich in tradition of providing quality merchandise to our customers. Our World Class Brand offerings: Van Heusen, Calvin Klein and Tommy Hilfiger provide a prominent avenue for our customers in completing their wardrobe for their respective lifestyles.

An integral part of our success has been the partnerships we have developed with our service providers. To ensure we meet our operational goals, we have developed this comprehensive Retail Transportation Procedure Manual. We trust that this manual will serve as an important reference tool in answering questions on how to meet our expectations. Please ensure that your operations group and key individuals have access to the contents. Your understanding and compliance with these guidelines is essential to the success of our relationship.

PVH truly believes the POWER of PARTNERSHIP is built on:

- Sound Strategy
- Solid Execution
- Constant Communication
- Commitment to Excellence
- Trust and Respect

We look forward to enhancing our partnership with you and trust this manual will serve as a meaningful tool in building our mutual success.

Your signature on the form (on the following page) acknowledges that you have reviewed the guidelines set forth in this manual with all parties involved and stressed with them the importance of compliance.
