

Warehouse Shipments

EDI Suppliers

- **Packing List:** A packing list is not required to be sent to the PVH Corp. ASN Department. However, a vendor created packing list or content label is required to be sent with the shipment to the warehouse.
- **Transmittal:** Send an 856 transmission upon shipment from the supplier's facility.

Non-EDI Suppliers

- **Packing List:** The PVH Corp. standard packing list must be completed for all shipments to the warehouse. List one purchase order per packing list.
- **Transmittal:** Email the completed packing list to the PVH Corp. ASN department: domestic.pl@pvh.com. The packing list must be submitted 24 to 48 hours prior to the shipment pick up time. The subject of the email must include the two-digit company code, the two-digit division code, and the purchase order number. Also, include the vendor name. Example: RTCO12345 Vendor ABC.
 - If you need an electronic blank copy of the standard PVH Corp. packing list form, please make a request and send to domestic.pl@pvh.com.

All Suppliers – SEND the packing list attached to the Bill of Lading for all LTL (Less than truckload) and truckload shipments.

DO NOT ATTACH THE PACKING LIST TO THE CARTON UNLESS SHIPPING FEDERAL EXPRESS GROUND.

Note: Failure to comply with any of the requirements in this section for EDI / Non-EDI Suppliers will result in an expense offset for each purchase order.

Each carton label used for the shipment must be accounted for on the packing list.

Carton Labels (Reference Chapter 11- Carton Label Requirements)

Direct-to-Store Shipments

EDI Suppliers

- **Packing List:** The PVH Corp. standard packing list is not required for direct-to-store shipments. A vendor created packing list is required for direct-to-store shipping. Send the packing list with the shipment by affixing it to the outside of

the lead carton. In addition, vendors may also apply a content label to each carton.

- **Transmittal:** Vendors must send an 856 transmission upon shipment from the Supplier's facility.

Non-EDI Suppliers

- **Packing List:** The PVH Corp. standard packing list is not required for direct-to-store shipments. A vendor created packing list is required for direct-to-store shipping. Send the packing list with the shipment by affixing it to the outside of the lead carton.
- **Transmittal:** No 856 transmission is required.
