

ELECTRONIC COMMERCE - EDI

PVH recognizes the significant value of conducting business utilizing EDI. Implementation will begin, with priority given to, the following documents:

- X12 810 Invoice
- X12 850 Purchase Order
- X12 852 Product Activity Data
- X12 856 Advance Ship Notice
- X12 860 Purchase Order Change

The specifications of these transactions are included in this section of the manual.

ELECTRONIC COMMERCE - EMAIL

E-Mail is an important tool in our day-to-day business communication. Our e-mail system is directly connected to the Internet, which makes it easy to exchange messages with business partners.

PVH Associates

The address format to use for sending messages to anyone within PVH, regardless of the division they are associated with is:

firstname.lastname@PVH.com

The PVH e-mail system is not case sensitive.
