

## PRODUCT LABELING

Product labeling is unique to the division purchasing the merchandise. Suppliers must contact buyer for specific information and direction regarding product labeling.

The below information is required for all divisions.

- **Country of Origin**
  - Must be on the front of the label.
  
- **Fiber Content**
  - All parts of fiber content must be in lettering of equal size
  - All parts of fiber content must be in immediate proximity
  - All fibers comprising more than 5% of total weight of a garment must be listed in order of predominance
  - Generic fiber names only may be used
  
- **Manufacturer**
  - Registered Identification Number (RN) given by the US FTC to a business – all product must bear PVH Corp. RN number- PVH RN#36543
  - Must have Factory code
  - Product Care Code (PC CODE Ref #)
  
- **Care Instructions**
  - Written instructions or Symbols by the American Society for Testing and Materials (ASTM)
  
- The label must be in English or with different language/ translation, it depends on shipped countries.
  
- The label must be permanently attached for life of garment.
