

PRODUCT TICKETING – PVH Corp. PRINTED

PVH Corp. Supplied Bar Coded Tags and Stickers

Print

PVH Corp. will provide the supplier with a complete set of bar coded price tags or price stickers for each purchase order. However, suppliers with the ability to print tags or stickers, please refer to the PVH Corp. Supplied Bar Coded Tags and Stickers section within Product Ticketing for PVH Corp. ticketing requirements.

Box end or bag end labels will be supplied if required on purchase order. This requirement applies to bulk purchase orders (solid size carton packing). Please review the Inner Box and Inner Pack requirements in the Carton Packing section of the Supplier Manual for further instructions.

Quantity

Each set of tags and stickers will contain an extra quantity of each size

- If the total quantity by size is 1200 units or more 6% extra
- If the total quantity by size is 600 -1199 units 7% extra
- If the total quantity by size is 107 – 599 units 10% extra

Shipping

Each set of tags or stickers will be placed into an envelope or small carton marked with the PVH Corp. Purchase Order Number.

Each size will be bundled separately.

A PVH Corp. shipping manifest will be provided, indicating the shipped quantity by size for each purchase order.

The standard method of shipping is Fed Ex, unless otherwise specified by Product Manager or Buyer.

Reprints

Report loss, damaged, or shortage of tags/stickers to Product Manager or Buyer.

- If damaged or shortage - PVH Corp. will reprint at no charge.
- If lost by Supplier - PVH Corp. will charge for reprint.
